THERE'S TRULY NOTHING ELSE LIKE IT ON EARTH

THE BEAUTY OF PERFORMANCE

Dual direct-drive electric motors power each blade for efficient and abundant power to cut even the thickest lawns. And an advanced cutting system designed by aerospace engineers delivers optimum airflow and blade overlap. Meaning you'll always get the beautiful Cub Cadet Signature Cut™.

ABUNDANT POWER

Easily mow an acre or more on a single charge. Thanks to an advanced power management system and heavy-duty batteries, you can expect a full 60 minutes of continuous cutting time with no power fade. Simply plug the ZERO into a standard outlet to recharge overnight.

UNSURPASSED MANEUVERABILITY

With exclusive steering wheel control and four-wheel steering, you can dominate any conditions – including slopes – with zero worries of turf damage. Giving you unsurpassed maneuverability and stability.

CUTS GRASS AND NOISE.

Introducing a totally new way to mow. With the RZT™ S ZERO, you'll experience unheard-of performance and the beautiful Cub Cadet Signature Cut™. Plus, with zero engine noise, zero gasoline emissions, zero oil and filters, and zero belts to maintain, you'll have something else: zero worries. With its stealth-like performance, you'll also have the freedom to mow anytime, day or evening, without disturbing your neighbors. See for yourself why the Cub Cadet RZT™ S ZERO is the future of lawn care.
